## EDUCATION

---

**Central Saint Martins**, London, UK

*BA (Hons) Fashion Design: Knitwear*

September 2024 – June 2028

- First- and second-year course representative: facilitated communication between students and administration through regular course committee meetings and organized course-wide events to improve scholastic community and student-staff relations

*Foundation Diploma in Art & Design*

September 2023 – June 2024

## SKILLS

---

- Material research, fashion illustration/sketching, pattern-cutting, industrial sewing, tailoring, garment construction, domestic/dubied/stoll knitting, linking, fully fashioning, embroidery/beading, hand sewing/knitting/crochet, acid, and natural dyeing
- Adobe Photoshop, Lightroom, Illustrator, CAD, Clo3D, Microsoft Suite
- English and Hindi/Urdu native proficiency and Spanish intermediate proficiency

## EXPERIENCE

---

**Dreaming Eli** London, UK

*Knitwear Intern*

August 2025 – December 2025

- Patterned and constructed fully fashioned knitwear garments for Dreaming Eli's SS26 and AW26 LFW collections under the direction of the brand's creative director
- Assisted during fittings/castings, set up venue, dressed models, and assisted backstage at the SS26 and AW26 LFW shows
- Patterned and constructed fully fashioned knitwear commissions, such as custom orders for singer-songwriters Tini and Karol G, and store orders for H. Lorenzo

**Kumon Math and Reading Center** Sachse, Texas

*Managing Assistant*

June 2024 – September 2024

- Oversaw daily operations such as class organization, student attendance and safety, and staff-parent communication of 100+ students per day in a fast-paced, high-pressure environment
- Scheduled orientations and parent-teacher conferences, and organized center events in accordance with administration and client timelines
- Managed monthly tuition payments of 300+ total students and the center's finances, such as inventory purchases and operating costs

*Tutor*

March 2020 – September 2023

- Tutored 20+ students aged 3-15 in foundational English, English literature, arithmetic, geometry, algebra, and differential and integral calculus
- Aided students falling behind in schoolwork to catch up with and eventually surpass their grade-school curricula by 1-2 years
